What to Bring

Wear old clothes, and please dress for the weather (no sandals or thongs please). A Swim suit and towel will be needed daily. Goggles and lifejackets are recommended. Please mark your child's possessions and put in a bag or backpack. A hat or sun visor is recommended along with sunscreen and bug spray for days when we go outside. (Bug spray and sunscreen will not be provided by the YMCA)

Staff

The individuals who make up our staff are the most important aspect of YMCA Day Camp. They are selected on the basis of their good character, interest, sensitivity and experience in working with young people. All staff are certified in First Aid and CPR. We believe each camper should receive individual attention. We maintain a ratio of ten campers to one counselor. Parents can have peace of mind knowing that their children are in good hands.

Safety

Safety always comes first along with our commitment to a healthy camp experience. We are proudly establishing a tradition of safe camping through quality training and safe equipment.

YMCA Mission

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

Financial Assistance

It is the goal of the Fair Acres Family YMCA to provide education, social, and physical development services to all persons, regardless of their ability to pay. Reduction of fees is available subject to demonstrated need.
